We are always pleased to submit samples and to make special quotations for large quantities. You will save money by ordering now while assortment is complete and prices low.

Very truly yours,

THE E. H. H. NURSERY CO.  
Tulace, Illinois.

P.S. - Be friendly; write occasionally.

E.B. - In purchasing your seedlings and transplants remember that our stock is American grown, therefore fully acclimated and absolutely hardy and free from disease. Young seedlings local; if ordered reach you in a few days. The stock invariably arrives in perfect condition, is on hand just when you want it and there are no excessive transportation charges. Try little trees this year and let them grow.

H.B. - If interested in larger sizes, write for prices.
